

SMALL BAMBOO SIDE TABLE

This charming low, two-tier side table in a faux-bamboo finish was originally conceived to stand by a chair as a telephone table, it is still a useful addition to a room, finding a new use as the perfect table for a glass, cup and saucer or a book.

Made in the UK.

Dimensions:

Height: 30cm (12")

Width: 36cm (14")

Depth: 28cm (11")

Available painted in one of our studio colour schemes or in polished timber.
